

CaveWorld

— WAITOMO —

Caveworld, Waitomo's 5-Star Eco-Glowworm Experience. We are really looking forward to representing such a special and unique product, which we believe to be an excellent addition to our current range of products. Caveworld will offer your clients a truly remarkable experience and will provide an excellent option to include in your product mix.

About the Caveworld product: Enjoy a 3.5km courtesy scenic shuttle to the cave while your experienced guide reveals the rich history of Waitomo. Then, take a short walk through breath taking New Zealand native bush to the cave entrance. There, your guide lights the candles setting the scene for an intimate cave experience, where you will see glowworms and cave formations up close and appreciate the beauty of Footwhistle Cave (also known to local Maori as Te Anaroa Cave).

The solar powered lights are kept low so you can appreciate the magnificent glow worm displays at their best, only inches away. Around a corner lie the bones of one of New Zealand's lost treasures, the ancient Moa. The soothing sound of Footwhistle cave stream flows in the darkness below. Formation lights are especially turned on to cast a warm glow over stunning cave formations. The guide tells the stories of the insect life that live here - titiwai, the glow worm, and tuna, the eel. After enjoying a relaxed stroll through the cave, you'll be seated in Footwhistle's Cathedral to see it lit up by a dazzling magnesium torch. Although the display only lasts a few seconds, your memories of the Footwhistle Cave will last a lifetime.

The Cave Tour is unique, where you can enjoy numerous Glowworm displays in a relaxed atmosphere, take your time and immerse yourself in this truly Memorable Glowworm experience. Caveworld holds exclusive rights to operate in the Footwhistle Glowworm Cave.

The tour includes:

- A 50 metre eco-bush walk through streams and waterfalls
- Fantastic limestone formations with stalactites and stalagmites
- The candle-lit caverns where you can have your photo taken
- A magnesium display that lights up the entire cavern
- Viewing of the remains of New Zealand's largest bird, the 'Moa'

This is Waitomo's only candle-lit cave, your guides are a team of the most experienced in Waitomo and they look forward to giving you a memorable Glowworm experience.
